**GATEWAY CHAPTER IPMS DONATES \$371 TO TOYS FOR TOTS**

ST. LOUIS — The Gateway Chapter of the International Plastic Modelers' Society (IPMS) donated \$371 to the 2018 United States Marine Corps Reserve (USMCR) Toys for Tots campaign in Metropolitan St. Louis. The club's 2018 president, Chris Merseal, presented the check to the USMCR just before Christmas.

IPMS/Gateway raised the money primarily through a kit raffle held during the IPMS/Gateway Invitational contest, which was held on September 8, 2018 at the Holiday Inn St. Louis SW—Route 66 in Sunset Hills, Missouri. Funds were also raised through 50/50 raffles held at several IPMS/Gateway meetings. Half the money raised by these drawings went to the Toys for Tots contribution, while the other half went to the persons holding the winning tickets.

Since 1991, IPMS/Gateway has donated over \$6,000 in annual contributions to Toys for Tots. This campaign was created by late club member Allen Chamness, who wanted the club to help needy St. Louis area children have toys for Christmas.

IPMS/Gateway is a club devoted to the hobby of scale modeling and is open to all persons interested in this hobby. The club meets on the third Tuesday night of each month, with the next meeting on Tuesday, January 15 at 7:30 pm. Meetings are held in Lewis Fellowship Hall of Calvary Presbyterian Church, located at 3400 Lemay Ferry Road in Mehlville, Missouri (south St. Louis County).
